The California legislature continues to lead the nation on gun safety policy. The following lists represent a sample of bills I have supported since being elected relating to gun safety and firearm sales.

**Gun Safety**

**AB 424 (2017)** - Bans firearms on school grounds, removing the ability of school officials to grant exemptions.

**AB 7 (2017)** - Further extends state ban on open carry of an unloaded firearm other than a handgun in public within a prohibited area located within the unincorporated area of a county.

**AB 1747 (2018)** - Expands the responsibility of a school district or county office of education in developing comprehensive school safety plans. This bill would require consultation with first responders, and tactical response to criminal incidents to include procedures related to individuals with guns on school campuses.

**AB 12 (2019)** - Extends the duration of a gun violence restraining order and renewals to a maximum of five years.

**AB 61 (2019)** - Allows an employer, coworker, employee or teacher of a secondary or postsecondary school to file a petition requesting a gun violence restraining order.

**AB 164 (2019)** – Holds any person subject to a valid restraining order, injunction, or protective order issued out of state to the same restrictions on buying or possessing firearms in California.

**AB 1548 (2019)** – Codifies the California State Nonprofit Security Grant Program to improve the physical security of nonprofit organizations that are at high risk of violent attacks or hate crimes due to ideology, beliefs, or mission.

**Firearm Sales**

**SB 497 (2017)** - Limits the purchase of long guns (rifles, shotguns and lower receivers) to one gun per person within a 30 day period to curb the trafficking of long guns.

**AB 3129 (2018)** - Imposes lifetime firearms bans for those convicted of misdemeanor domestic violence.

**SB 1968 (2018)** - Imposes lifetime firearms bans for those who have been put on involuntary psychiatric hold twice in one year.

**SB 61 (2019)** – Prohibits the sale of a semiautomatic center fire rifle to any person under 21 years of age, and bans a person from applying to purchase more than one semiautomatic center fire rifle in any 30-day period, with a few exceptions.

**SB 376 (2019)** – Prevents individuals from selling large numbers of firearms without a license by capping the number of annual sales at five transactions or 50 firearms.

**AB 645 (2019)** – Requires packaging for firearms to contain a warning statement on suicide prevention and requires the written test for the handgun safety certificate to cover the topic of suicide.

**AB 879 (2019)** – Requires starting in 2024, that the sale of firearms precursor parts be conducted through a licensed firearms precursor part vendor.
